

THE
WEDDING
NIGHT
And Beyond

ENDORSEMENTS

At its heart, this book affirms that marital intimacy is a gift from God—meant to strengthen love, deepen unity, and reflect His design for covenant partnership. By integrating spiritual insight with practical wisdom, The Wedding Night and Beyond serves as both a pre-marital and post-marital guide, encouraging couples to embrace marriage as a lifelong journey of growth, companionship, and devotion. – **Pastor (Dr.) Edmond Nwabuowan** (Portal of Grace Pentecostal Church, Atlanta, Georgia)

This book offers a thoughtful, biblical grounded and sound medical approach to sexual intimacy within Christian marriage. With wisdom, Grace and clarity, it helps couples understand how healthy sexual behavior can honor God, strengthen, strengthen unity, and reflect the covenant nature of marriage. It has the added privilege of discussing the human body that will help couples understand themselves and their significant other. – **Dr. Uche Igwe** (Medical Doctor, USA)

THE WEDDING NIGHT AND BEYOND

Having the privilege of going through premarital classes with Dr. Victor truly prepared us for everything that followed in our marriage. The sessions were enriching, practical, and filled with insight, giving us confidence and excitement as we stepped into married life. It is a joy to see these teachings now thoughtfully curated into a book. We highly recommend this resource to intending couples who desire a well-rounded, honest, and intentional preparation for a strong and blissful marital beginning. – **Justice & Abe Welsh** (Newlywed Couples, Nigeria)

The Wedding Night and Beyond is a timely and much-needed exposé on the many misconceptions and preconceptions surrounding marriage and sex. Dr. Chukwu's unassuming yet robust writing style makes this book exceptional—simple, practical, and deeply insightful. After applying the reflections from the chapter on foreplay to my own marriage, my wife and I experienced explosive intimacy. I highly recommend this book for every married couple, regardless of how long they have been married. It is a must-read, and guide for all who desire to renew their minds on sex and marriage from a biblical viewpoint. In the words of Dr. Chukwu, "If God made it and blessed it in marriage, then enjoying it is not sinful—it is worshipful. – **David Asanga** (Founder & Lead Trainer, Signature Speaker, Uganda)

This book is a rare gem, especially for the Christian community. Pastor Chukwu has truly outdone himself by courageously

addressing a topic many find uncomfortable or are simply uninformed about. With wisdom and clarity, he highlights what to expect through the various stages of marriage, offering both practical guidance and spiritual insight. This is a timely and essential read for every believer who desires to build a strong, God-centered marriage. – Jennifer Bello (Registered Nurse, USA)

*I want to personally thank you for the honesty, courage, and clarity with which *The Wedding Night and Beyond* was written. From the very first pages, it was clear that this book was not coming from theory, but from real conversations, real struggles, and real pastoral concern for married couples. In many Christian settings, sex is either not discussed at all or addressed in vague, uncomfortable terms. This book does the opposite. It names things clearly, without shame, and without stripping the subject of its spiritual meaning. That balance is rare and deeply needed. This work fills an important gap in Christian literature, and I truly believe it will help couples move from confusion or silence into clarity, confidence, and mutual understanding. Thank you for being willing to say what is often left unsaid, and for doing so with wisdom, care, and pastoral sensitivity. As a pastor, I see this book as a valuable resource that I would confidently recommend for teaching, counseling, and discipleship within the local church. – Pastor Nnamdi Ihenacho (Executive Pastor, Realms of Glory International Church, USA)*

DEDICATION

This book is first and foremost dedicated to God Almighty, the author of love, the designer of marriage, and the source of all wisdom and grace.

It is also dedicated to my precious wife, whose love, support, faith, and partnership continually inspire my understanding of covenant, intimacy, and purpose in marriage.

Finally, this book is dedicated to all intending couples currently in counseling as they prepare for their journey into marriage, and to Christian couples everywhere who are committed to honoring God in their unions. May these pages strengthen your faith, deepen your love, and guide you toward a marriage rooted in truth, grace, and enduring purpose.

CONTENTS

1. Introduction	1

7. After the Act	65
8. Preparing for Pregnancy	77
9. Family Planning & Contraceptives	109
10. Medical Issues	125
11. Conclusion	133

1

INTRODUCTION

Not long ago, I heard the story of a Christian couple who, one week into their marriage, had not yet consummated their union. Unsure of what to do, they went to their pastor in desperation. The bride was overwhelmed with shyness and fear; the groom, equally nervous, was terrified of hurting his wife. Out of this shared anxiety, they chose to avoid intimacy altogether until they could find an answer.

Stories like this are far more common than we think. Many couples enter marriage with unanswered questions, unspoken fears, and unhealthy assumptions about sex. Some come with unrealistic expectations shaped by culture; others arrive with little or no preparation, believing things will simply “fall into place.” But the truth is, without the right foundation, even something God designed to be joyful and uniting can become a source of confusion, tension, or disappointment.

That is why I want to personally welcome you to the pages of this book. Perhaps you picked it up because you are preparing for your wedding, thinking seriously about marriage, already in a relationship, or maybe just curious about what happens on the wedding night. Whatever your reason, I believe this book carries something valuable to prepare you for sexual intimacy in marriage. And if you are here as a mentor, counselor, or friend looking for a solid resource to guide others, you are equally welcome.

As a premarital counselor for several years, I have noticed that sex is always a subject couples anticipate in our sessions. Though it often carries a measure of nervous laughter or tension, it is also one of the most rewarding conversations when handled with honesty, sensitivity, and biblical clarity. Unfortunately, in many Christian contexts, sex is not spoken about openly. Couples are often left to figure things out on their own, relying on half-truths, cultural myths, or silence. Over the years, I have become convinced that this silence has done more harm than good, and it is one reason I felt compelled to write this book.

The insights you will find here are not abstract ideas. They are the lessons I have shared with couples I've had the privilege of counseling—now put into writing so they can reach even more people who may never sit across from me in a counseling room.

So why does sexual preparation matter in Christian marriage?
Because:

- **Sex is God’s gift** – meant to be enjoyed without shame or fear (Genesis 2:25).
- **Sex is a covenant act** – reinforcing the “one flesh” bond God designed for marriage (Genesis 2:24).
- **Sex is an area of vulnerability** – without preparation, couples may carry unnecessary guilt, confusion, or disappointment into marriage.
- **Sex can reflect Christ’s love** – when practiced with mutual honor, selflessness, and joy, it becomes a testimony of God’s design for intimacy.
- **Sex is a journey, not a one-time event** – preparation helps couples see intimacy not as a single night to “get through,” but as a lifelong gift to cultivate.

My prayer is that as you read, you will find answers where there have been questions, clarity where there has been confusion, and confidence where there has been fear. May these pages help you step into marriage prepared, hopeful, and ready to embrace the beauty of sexual intimacy as God intended.
